|                                |                                    |
|--------------------------------|------------------------------------|
| Lamp model:                    | FCS-N0613COKB                      |
| Input Wattage:                 | 9.6W                               |
| Input voltage:                 | DC24V                              |
| Related CCT:                   | 2700K-6500K                        |
| Material:                      | silicone                           |
| Housing color:                 | sand gray                          |
| Beam angle:                    | 120°                               |
| Output lumen:                  | 80-110LM/W                         |
| CRI:                           | 75<Ra<85                           |
| Adjustable angle:              | /                                  |
| LED source:                    | SMD3030                            |
| IP Rating:                     | IP67                               |
| Operate working temperature:   | -25~+60 °C                         |
| Stock temperature:             | -30~+65 °C                         |
| Lifespan:                      | 50,000 H                           |
| Product size:                  | 1000*16*16/1000*20*18/1000*30*20MM |
| Factor:                        | ≥0.85                              |
| Power efficiency:              | ≥90%                               |
| Electric Shock Classification: | II Class                           |
| Controll way:                  | ON/OFF                             |
